

Catalogue of items for 68th Independence Day

Following our winning the Foreign Ministry's tender – we enclose the flag and product catalogue according to the tender price, we have also added new products with Israeli characteristics which are used as gifts for the mission's contacts.

These products are also sold in the Ben Gurion Duty Free store but at much higher prices than the ones we are offering you. The 68th Independence Day falls on May 11 2106, and we recommend that you place an order already so that we can give you the most efficient service and to ensure that you receive the items well ahead of time.

Gifts for contact personnel

For the first time, this year we are featuring candy, chewing gum and marzipan with minerals from the Dead Sea in addition to the range of gourmet salts in different flavors that we featured for the first time last year.

New and unique for us and Israel

Candy from the Dead Sea

The initial connection that comes to mind when one hears “Dead Sea products” is the cosmetics field, but after quite a few attempts and a lot of lab work to match vitamins and minerals from the Dead Sea to the taste and palate in the form of products. The products are rich in magnesium, zinc, selenium, potassium and folic acid, in addition to the long list of vitamins, and all of these feature in many important processes in the human body.

1. Marzipan snacks filled with: dates, plums and nuts, nuts and raisins, apricots and cranberries.

These components are completely natural and are combined with minerals from the Dead Sea •
